

Paducah Community Relations Plan

Community Relations Plan

- Primary document required by the Federal Facility Agreement (FFA) describing opportunities for effective public participation in the remediation decision process.
-

What is Public Participation

- Public Involvement – opportunities to be involved with stakeholder groups, attend public meetings, or have access to information
 - Public Comment – opportunity for the public to provide written suggestions, comments or ideas relating to decision making documents
-

Paducah Community Relations Plan

Chapter 1 – Overview of the Community Relations Plan
