safety ❖ performance ❖ cleanup ❖ closure

Senior Managers Meeting Background

- Held on May 14 and 15 at Kevil
- Senior managers from DOE, EPA, and Kentucky
- Senior EPA Region 4 staff included the following:
 - Franklin Hill, Superfund Division Director
 - Arthur Collins, Federal Facilities Branch Chief
 - Harold Taylor, Chief KY/TN Oversight Branch
- KY Department for Environmental Protection:
 - Tony Hatton, Director, Division of Waste Management
 - April Webb, Manager, Hazardous Waste Branch
- U.S. DOE PPPO:
 - Bill Murphie, PPPO Manager
 - David Kozlowski, PPPO Deputy Manager

Critical Path Forward

- To complete cleanup by 2019, these projects are critical:
 - C-400 Interim Action
 - Southwest Plume
 - Dissolved-Phase Plume
 - Burial Grounds Operable Unit
 - CERCLA Waste Disposal Options
