Ms. Bobby Lee
Citizens Advisory Board
111 Memorial Drive
Paducah, KY 42001

PPPO-02-137-09

Dear Ms. Lee:

RESPONSE TO CITIZENS ADVISORY BOARD CONSENSUS RECOMMENDATION 09-01 (ADDITIONAL SCAN AREAS TO SCOPING SURVEY PLAN)

U.S. Department of Energy (DOE) is in receipt of Citizens Advisory Board (CAB) Consensus Recommendation 09-01 related to the radiological fly-over survey at the Paducah Gaseous Diffusion Plant (PGDP). The CAB recommends that:

If DOE decides to pursue the radiation survey fly-over plan, the area of the fly-over should be expanded to include the DOE reservation and the West Kentucky Wildlife Management Area. Specifically, the CAB would like for the DOE to include the area west of the Paducah site to Bethel Church Road, east to Mayfield Metropolis Road, south to Woodville Road and north to the Ohio River.

As discussed in the August 2008 CAB working session, DOE fully accepts this recommendation.

DOE appreciates your continued efforts to provide recommendations that improve the effectiveness of the radiological fly-over survey at the site. If you have any questions or require additional information, please contact Rob Seifert at (270) 441-6823.

Sincerely,

A handwritten signature in blue ink, appearing to read "Reinhard Knerr".

Reinhard Knerr
Paducah Site Lead
Portsmouth/Paducah Project Office

Ms. Lee
