Dr. Bonczek,

Accompanying this letter are a brief electronic summary report and a power point presentation of KRCEE's annual activities for FFY 2013, *October 2012–September 2013*. Project bullets summarize the administrative, technical and public outreach activities conducted during FFY 2013. The activities addressed in the summary report were undertaken by the Center for Applied Energy Research – Kentucky Research Consortium for Energy and Environment (KRCEE) through Department of Energy Award Number DE- FG05-03OR23032.

This report will be posted to the KRCEE website at [www.ukrcee.org](http://www.ukrcee.org). This is the first official public release announcement for the website. Please visit.

Sincerely,

*Steve Hampson*
