## Naturally Connected Digest

**Volume: 2**

**Issue: 29**

**Date: August 7, 2014**

### **Free Grant Writing Workshops**

Have you been tasked with writing grants, but don't know where to start? Have you written grants previously but were not successful? Join us for our FREE, one-day grant writing workshop, which will provide ...[Continue reading](#)

### **DWM Requests Grant Applications for Three Programs**

The Kentucky Division of Waste Management (DWM) is calling for grant applications for three waste-management programs: waste tire recycling and disposal; the cleanup of illegal dumps and the cleanup of litter along public roads. "These ...[Continue reading](#)

### **Potentially Harmful Algal Blooms Identified in Several Kentucky Lakes**

The Kentucky Division of Water (DOW) and the U.S. Army Corps of Engineers (USACE) have confirmed the presence of potentially harmful algal blooms (HABs), or cyanobacteria, at levels exceeding recommended ...[Continue reading](#)
