### **Geophysical Introductory Course Making Waves at DWM**

The Kentucky Division of Waste Management's (DWM) Superfund Branch, in conjunction with Northern Kentucky University (NKU), held a one-day course providing staff with practical information on the benefits and limitations of geophysical techniques on hazardous waste and underground storage tank (UST) sites. ...[Continue reading](#)

### **SNIPS**

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance ...[Continue reading](#)
