**EPA Notification for Extension for Review of Remedial Investigation /
Feasibility Study Report for CERCLA Waste Disposal Alternatives Evaluation
(DOE/LX/07-0244&D2), Paducah Gaseous Diffusion Plant**

Dear Ms. Blumenfeld:

The Environmental Protection Agency (EPA) has received the received the D2 Remedial Investigation/Feasibility Study Report for CERCLA Waste Disposal Alternatives Evaluation on June 26, 2013. EPA's comments to this document were due on March 3, 2014. Due to the response to comments' complexity, and briefing with management, EPA will require an additional 21 days to submit comments in accordance with Section XXIX B(6) of the Federal Facility Agreement. This letter serves as notification of EPA's intent to extend the document review period by an additional 21 days. The revised due date for comment submittal is March 24, 2014.

If you have any questions or require additional information, please contact me at (404) 562-8648.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Richards", is positioned above the typed name.

Jon Richards
Remedial Project Manager
