### **A “TOOL KIT” Has Been Created to Provide Information About Kentucky’s TMDL Program**

Kentucky’s Division of Water and Division of Compliance Assistance have created an informational TOOL KIT to provide a basic understanding of the Total Maximum Daily Load (TMDL) Program. A TMDL is a calculation of the amount of pollutants that can ... [Continue reading](#)

### ***The Marketplace*—For Recycling Commodities**

The most recent issue of *The Marketplace* is now available for download. *The Marketplace* focuses on recycling trends, the “all state agency” e-Scrap contract and recyclable commodities’ pricing for those in the recycling industry, including ... [Continue reading](#)

### **SNIPS**

Not all news needs to be covered through an extended article. But, it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance ... [Continue reading](#)

### **DAQ Urges Kentuckians to “Learn Before You Burn”**

Spring-cleaning season has arrived, and for many Kentuckians that means burning unwanted debris. But before you light that burn pile, the Kentucky Division for Air Quality (DAQ) reminds you to “learn before you burn.” Many people may not realize that ... [Continue reading](#)
