Air Monitoring 101

Air monitoring is the key to understanding how clean the air is in a particular area. In order to do this, each state must operate a network of monitoring stations. Since July 1967, the Division for Air Quality (DAQ) has ...[Continue reading](#)

Current Job Openings at the Department for Environmental Protection

Over the last six months, the department has been under a hiring freeze as the cabinet addressed budget cuts that forced personnel realignment. The hiring freeze has lifted and over the next year, the department will be advertising a significant ...[Continue reading](#)

Potentially Harmful Algal Blooms Identified in Several More Kentucky Lakes

The Kentucky Division of Water (DOW) and the U.S. Army Corps of Engineers (USACE) have confirmed the presence of potentially harmful algal blooms (HABs), or cyanobacteria at levels exceeding recommended ...[Continue reading](#)

The Following Public Notice Has Been Issued by the Kentucky Division of Waste Management's Hazardous Waste Branch:

Thomas Industries Inc., in Ohio County has been tentatively approved for a post-closure permit for renewal. The comment period begins Aug. 27, 2014, and ends Oct. 11, 2014. See this public notice for complete details. To view all recent Kentucky ...[Continue reading](#)

Blue Grass Army Depot–Temporary Authorization Request Approval

Temporary Authorization Request: On June 23, 2014, the Blue Grass Army Depot (BGAD) and systems contractor Bechtel Parsons Blue Grass (BPBG), submitted a Temporary Authorization Request (TAR) to Kentucky Department for Environmental Protection (KDEP). This submittal, along with the information ...[Continue reading](#)

Sign Up Today: Registration Opens for Governor's Conference on

Energy and the Environment

Online registration is underway for the 38th Governor's Conference on Energy and the Environment, sponsored each year by the Kentucky Energy and Environment Cabinet. The conference is Oct. 7-8 at the Lexington Convention Center, 430 W. Vine Street. Early-bird prices ...[Continue reading](#)

SNIPS

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance Assistance ...[Continue reading](#)
