Current Job Openings at the Department for Environmental Protection

If you are interested in working at the Kentucky Department for Environmental Protection and have a passion for public service, we encourage you to apply for the vacancies found on the DEP Careers Page. You can view additional information about [Continue reading](#)

Funding Available for Projects That Protect Source Water

The Kentucky Division of Water (DOW) is making available assistance funds to help communities pay for source water protection projects that will help prevent drinking water contamination. The funds are available to ...[Continue reading](#)

Kentucky Division of Water Offers Cold Weather Water Pipe Protection Tips—Prevent Pipes from Freezing, Bursting

With frigid temperatures and wind chills expected in the coming days, the Kentucky Division of Water reminds citizens to protect the water systems in their homes and businesses from freezing. When water freezes, it expands. When water freezes in a ...[Continue reading](#)

ACC/SAMR Reports Due by Jan. 30, Assistance Available

It's that time of year again! Most air-permitted sources require submission of an Annual Compliance Certification (ACC) by Jan. 30, and a Semi-Annual Monitoring Report (SAMR) by Jan. 30 and July 30. These reports require facilities to investigate, confirm and ...[Continue reading](#)

SNIPS

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance ...[Continue reading](#)

State Energy and Environment Cabinet Announces Grants to Clean Up Illegal Dumps

The Energy and Environment Cabinet (EEC) announced that \$876,730 in grant funding has been awarded by the Kentucky Pride Fund for the cleanup of 102 illegal dumps in 20 counties across the Commonwealth. ...[Continue reading](#)
