*In this update:*

### **Congressmen Mike Simpson and Chuck Fleischmann to Headline ECA DC Meeting**

House Energy and Water Appropriations Subcommittee Chairman Mike Simpson (R-ID) will kick off our peer exchange with his keynote speech on Thursday, February 12, 2015. Hear about the latest in DOE policy, DOE budget, legislation impacting DOE will work together in 2015! Hear from new Nuclear Cleanup Caucus Chair, Tennessee Congressman Chuck Fleischmann who serves the Oak Ridge area, NNSA Administrator Klotz, Acting Undersecretary for Management and Performance David Klaus, Acting Assistant Secretary of Environmental Management Mark Whitney, Assistant Secretary of Nuclear Energy Pete Lyons (invited) and others.

The agenda can be found at [here](#).

[ECA's website](#) has more information about the exciting presentations we've lined up as well as the panel discussions to help local governments advocate on behalf of the citizens they serve. We will have high level representatives from DOE, NNSA, and the contractors who manage sites across the country.

ECA's Peer Exchange: Communities Working with DOE will take place February 12-13 at the Liaison Hotel in Washington, D.C. We hope you can make it!
