## SNIPS

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance ...[Continue reading](#)

## Division for Air Quality's Job Doesn't Stop for Winter Weather

You've probably seen them as you drive down the road—small buildings topped with strange-looking contraptions, surrounded by a fence. These are Kentucky's air monitoring stations, and they are essential tools for telling us how clean our air is. ...[Continue reading](#)
