Dear Ms. Woodard and Mr. Mullins,

This letter is to inform you of the change in designation of the project manager for implementation of the Federal Facility Agreement (FFA) as required in Section XXVI of the FFA. As discussed with the FFA parties on March 4, 2015, Jennifer Tufts is resigning from the role of FFA manager. Julie Corkran will serve as the FFA manager effective March 16, 2015.

Julie and Jennifer will work together in the coming weeks to ensure a smooth transition of the new roles. As suggested on March 11, 2015, Julie would like to meet the FFA parties and tour the Paducah Gaseous Diffusion Plant during the week of April 27, 2015, if your schedule allows.

If you have any questions concerning this matter or need additional information, please contact me at (404) 562-8791.

Sincerely,

A handwritten signature in blue ink, appearing to read "Harold W. Taylor, Jr.", with a stylized flourish at the end.
