Kentucky Prepares Application for National Disaster Resilience Competition

From 2011–13, Kentucky experienced flooding and severe storms, including tornadoes that resulted in three presidentially declared disasters. These disasters caused significant damage to infrastructure and housing that impacted vulnerable populations across the Commonwealth. Rebuilding efforts from these disasters ...[Continue reading](#)

ERT and Field Staff “Neither Rain, Nor Snow, Nor Sleet...”

The Department for Environmental Protection’s Environmental Response Team (ERT) and the Division of Water’s (DOW) regional office staff are no strangers to working in the elements, although the past few weeks of winter storm with its uncharacteristic cold and deep ...[Continue reading](#)
