Ms. Woodard:

The Kentucky Division of Waste Management (Division) has completed its expedited review of the above listed RDWP addendum, dated February 23, 2015. The Department of Energy (DOE) requested that the Environmental Protection Agency and the Division expedite their respective reviews and respond with an “approval no later than March 7, 2015 to ensure fieldwork is completed prior to [contract] transition.” Following the Division’s review a conference call was held with DOE and its contractor to seek clarification with respect to the meaning of portions of the document that were unclear to the reviewer. The conference call occurred on March 4<sup>th</sup> between DOE, LATA KY, and the Division. The Division’s concerns were satisfied during the March 4<sup>th</sup> call; therefore, this Sampling and Analysis Plan (SAP) Addendum is hereby approved.
