Watershed-Based Restoration Efforts Bring Improvements to Townsend Creek Water-Quality

A segment of Townsend Creek was recently removed from the state list of impaired waters. This stream segment, which is located in a sub-watershed of the South Fork Licking River in northern Kentucky, formerly failed to support its designated use ... [Continue reading](#)

DOW Issues Municipal Separate Storm Sewer System Permit for Lexington-Fayette Urban County Government

On May 1, 2015, the Kentucky Division of Water (DOW) issued the Kentucky Pollution Discharge Elimination System (KPDES) individual Municipal Separate Storm Sewer System (MS4) permit for the Lexington-Fayette Urban County Government. The issuance is in accordance with Section 402 of ... [Continue reading](#)

Air Quality Awareness Week

Nearly every day, each of us contributes a little to air pollution – but we don't always realize it. This week, the Division for Air Quality celebrated Air Quality Awareness Week with daily quizzes about air quality. Each 5-question quiz ... [Continue reading](#)
