Paducah, Kentucky 42002

RE: Notification of Extension of Review Time for the Remedial Action Work Plan for Optimization of the Northeast Plume Interim Remedial Action (DOE/LX/07-1280&D2/R1)
Paducah Gaseous Diffusion Plant
Paducah, McCracken County, Kentucky
KY8-890-008-982

Ms. Woodard:

In accordance with Section XX.G.2 of the Federal Facility Agreement (FFA), the Kentucky Division of Waste Management (Division) is extending the review period for the above-listed document, dated August 31, 2015 by 30 days. This extension is requested to allow the Division adequate time to coordinate its comments internally, as well as consider the 9-23-15 e-mail addendum to the RAWP titled (NE Plume Optimization Narrative and Figure). The Division looks forward to continued engagement with DOE on finalizing transect well locations and other pertinent outstanding details necessary to be captured in a revision to the D2/R1 RAWP.

If you have any questions or require additional information, please contact Brian Begley (502) 564-6716, or e-mail at Brian.begley@ky.gov.

Sincerely,

For April J. Webb, P.E., Manager
Hazardous Waste Branch
