**RE: Request for Additional Work under the Federal Facility Agreement at the U.S.
Department of Energy Paducah Gaseous Diffusion Plant
Paducah Site
Paducah, McCracken County, Kentucky
KY8-890-008-982**

Ms. Duncan and Ms. Corkran:

Pursuant to Section XIX of the Federal Facility Agreement for the Paducah Gaseous Diffusion Plant, the Division of Waste Management (Division) is hereby requesting Additional Work to be performed in the ongoing field investigation of Solid Waste Management Unit (SWMU) 4. The additional work is necessary to afford the FFA parties discretion to conduct additional "opportunistic" sampling above and beyond what is provided for in the Addendum to RI/FS for the Burial Grounds Operable Unit - SWMU 4 Sampling and Analysis Plan.

The Division has been pleased with recent three-party discussions on this topic and is confident the DOE will respond favorably to this request in writing and include any agreed upon revised statement of work or QAPPs to document this additional work. If you have any questions or require additional information, please contact Brian Begley at (502) 564-6716, ext. 4641 or e-mail at brian.begley@ky.gov.

Sincerely,

Brian D. Begley, P.G., FFA Manager
