Illegal Dumping Program a Long-term Success

In 2003, there were thousands of illegal dumps across the state. Many had been there for years, and the culture of illegal dumping was still prevalent. That changed with the start of the illegal dumping program. In three years, from...[Continue reading](#)

Get the Green Ball Rolling Workshop Announced

Are you looking for ways to make your business competitive in today's marketplace? Businesses must look at their processes critically to ensure that they are efficient, innovative and sustainable. The Kentucky Pollution Prevention Center and the Kentucky Division of Compliance Assistance are co-hosting a workshop that will focus on helping the sports industry advance efforts to use clean, energy-efficient practices to conserve energy, reduce environmental impacts, preserve jobs and enhance overall competitiveness.

This one-day workshop will be divided into eight presentation sessions and an on-site facility walkthrough...[Continue reading](#)

Lead in Drinking Water Workgroup Meeting Has Been Cancelled

The Cabinet has cancelled the April 6, 2016 scheduled meeting of the Lead in Drinking Water Workgroup. Any future meeting time, date, and location for this workgroup will be made public as appropriate.

Thank you for your interest in KY DEP. If you have any inquiries about our programs and services, or wish to speak with a department employee about an article, feel free to contact us via the contact information listed at the top of the publication. If you know someone who would like to subscribe to this newsletter, ask them to send an email to KYDEP-subscribe@listserv.ky.gov and they will be added to our contact list.
