Recreational Advisory lifted for Ohio River

FRANKFORT, Ky. (Nov. 4, 2015) – The Kentucky Division of Water (DOW) and the Kentucky Department for Public Health (DPH) are removing the recreational use advisory for the Markland, Meldahl and Greenup pools of the Ohio River, effective immediately. Results from recent sampling by the Ohio River Valley Sanitation Commission (ORSANCO) indicate the levels of microcystin toxin occurring in these areas of the river are below the advisory threshold for recreating in the water. The removal of the recreational advisory means the Ohio River bordering Kentucky is now free from recreational advisories for harmful algal blooms (HABs)...[Continue reading](#)
