Dear Mr. Burnett:

**RESPONSE TO PADUCAH CITIZENS ADVISORY BOARD CONSENSUS
RECOMMENDATION 07-02 (UPDATE THE COMMUNITY RELATIONS PLAN
THROUGH 2006)**

The U.S. Department of Energy (DOE) is in receipt of the Citizens Advisory Board's (CAB) Consensus Recommendation 07-02, dated January 18, 2007. The CAB recommended that DOE update the in-process revisions of the Community Relations Plan (DOE/OR/07-2009&D2/R4) to include 2006 public involvement and progress prior to issuance.

DOE agrees with your recommendation. Revisions to the final Community Relations Plan will include public involvement and progress for the 2006 calendar year.

DOE appreciates the effort of the CAB to facilitate the communication between DOE and the public. If you have any questions or require additional information, please call Mitch Hicks at (270) 441-6820.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Knerr".
